

# **Help At Your Door Product Catalog 2017**

From the store to your door, we provide convienient and easy to use grocery shopping and delivery services – in addition to a few new services this year.

We are pleased to announce that in addition to continuing to improve our grocery and delivery services we have expanded under our new name, **Help At Your Door**, to include a variety of unique new services, available to you beginning in January 2017.

A few of our exciting new **Help At Your Door** services include:

- <u>Handyman Services</u>, with the purpose of making your home safer. Our "fix-it-all" services will feature an extensive list of home risk repairs, including items such as replacing batteries, lightbulbs and screens, hanging pictures or curtains, and installing railings, grab bars, wheel chair ramps, summer screens, storm windows, etc.
- <u>Home and Companion Care Services</u>. Sometimes it is nice to know that there is someone that will be stopping in to check on you from time to time. With our home and companion care services, we will offer meal preparation, light housekeeping, errands and of course companionship.
- <u>Transportation Services</u>, coming soon!

If you need a little extra help around the house, or if you are interested in any of our new services listed above, please call (651)-642-1892, and a **Help At Your Door** staff member will be happy to assist you. There is a service fee associated with each new service. Please inquire for more information if you are interested.

In your store to door product catalog, you will find thousands of grocery items listed in a conveniently-organized, easy-to-use list. This catalog will:

- Help you keep track of what items you need between ordering days
- Help maintain a list of products you order regularly
- Allow you and your order taker to work from the same list when ordering over the phone.
- Help you identify newly added items with a designation of \*New\*.

You will continue to automatically receive Cub coupon and sale prices on items in the catalog. If items are out of stock, you can indicate whether you want your shopper to substitute similar items of equal or lower price. Please check with your order taker for any monthly specials that might be available.

# **Grocery Ordering and Delivery Policies**

#### **Ordering**

Clients are asked to prepare a list of items they need prior to placing an order. A catalog of available items is provided for your convenience.

Only items included in the catalog will be available for delivery. If an item is out of stock, you can indicate whether you want your shopper to substitute similar items of equal or lower price.

Please allow up to 30 minutes to place your order with your Volunteer Order Taker. Each order is read back in full at the end of the phone call.

We encourage you to place an order through store to door services at least monthly. Help At Your Door is here to serve clients who need help getting basic groceries on an ongoing basis rather than just as a convenience.

If you have a questions about your order, Help At Your Door will know how to help you. Call (651) 642-1892 for any concerns you may have.

# **Special Orders**

Special orders and certain items that create food safety handling issues, such as deli orders, will not be available. Pre-packaged substitutions for these items are available in the catalog.

# **Coupons**

You will automatically receive store coupon and sale prices on all items in the catalog.

Help At Your Door honors manufacturers' coupons that are current as of the day you receive delivery. To receive a manufacturer coupon deduction, present coupon to your delivery driver at the time of delivery. Coupons cannot be accepted after the driver has left your home.

#### **Substitutions**

You have a choice as to whether you'd like shoppers to make substitutions for you if your items are not available in the store. You will not be called from the store regarding substitutions.

If you wish to change your substitution preference on future orders, you will need to let your order taker know or call the Help At Your Door office directly. Your preference options are:

Substitutions: Which allows shoppers to choose an alternate item of equal or lesser value on all products if your chosen item is unavailable. Remember perishable items such as produce and refrigerated/frozen items, bread and tortillas are non-refundable.

No Substitutions: Which indicates to shoppers that you never want substitutions even if the store is out of a preferred product. This may mean you will not receive a staple item if the store is out of your desired product or brand.

Non-perishable Substitutions: Which allows shoppers to choose an alternate item of equal or lesser value on all items that are not perishable.

#### No Add Ons

Unfortunately, we are unable to change your order or add items on it once it is complete, so please make sure you are comfortable with the order before it is finalized by your order taker.

#### **Stamps**

Stamp purchases must accompany a grocery order and are non-returnable.

# **Ordering Minimums/Maximums**

Minimum order amount is \$40.00 There is no maximum order amount

#### **Weight Limits**

Due to delivery constraints, Help At Your Door reserves the right to limit the amount of large items ordered. These limits include:

- Four 12-packs of pop/water OR
- Six gallons of milk/water/juice OR
- 2 large household/pet items (25# lbs. each)

#### Returns

Non-perishable items may be returned to the delivery driver at the time of delivery or during next delivery when accompanied by a receipt.

Perishable items (including produce, meat, bakery, dairy, and deli) are NON-returnable, so please take care when ordering perishables.

If there is an error with a perishable item, this must be determined at the time of delivery. We will review the problem and make appropriate adjustments on the day of delivery.

#### **Product Availability**

Due to the changing nature of product availability at the stores, some catalog items will become unavailable over time. We will make every effort to offer an equivalent product in its place.

#### **Delivery**

Clients must be home between 9 a.m. -3 p.m.to receive their grocery delivery. If you cannot be home at that time, please call the Help At Your Door office BEFORE placing your grocery order so we can make other arrangements.

If we are unable to deliver your groceries because you are not home, you will be charged for any perishable items included in your order. You will also be responsible for the service fee for that order. Non-perishable items will be returned to the store.

# **Holidays**

When a holiday falls on your regular ordering or delivery day, we will inform you with in advance of schedule adjustments to keep your groceries coming to you.

#### Service Fees

As a nonprofit organization, we are able to offer subsidized service fees on a sliding scale based on your household income. Service fees include ordering and delivery charges. Fees range from \$5 - \$35. Service fees are included in the total amount due upon delivery and are determined by annual income and household size.

If you are eligible for Elderly Waiver or Alternative Care, the cost of your service fee may be covered by these programs. Prior authorization is required for Elderly Waiver or Alternative Care payment so please notify us if you plan to use one of these programs.

#### **Payment**

All clients pay for their own groceries in addition to the service fee. Help At Your Door accepts checks, credit cards, debit cards and EBT cards with food benefits on them. EBT cards with "cash only" benefits cannot be accepted. Help At Your Door does NOT accept cash.

A fee will be charged for checks written with insufficient funds or returned by the bank for any reason. A hold may be placed on your Help At Your Door account suspending future orders until payment is resolved.

Clients are encouraged to have a credit card on file to cover the grocery costs. If you are not home at time of delivery, perishable items will be charged to your account. Clients who do not pay these charges may not receive future deliveries.

If you would like to make payment arrangements prior to your delivery date, please contact the Help At Your Door office at (651) 642-1892 and ask to speak with an accounting team member.

# **Tipping Policy**

We request that you DO NOT TIP our delivery drivers. They are paid staff and prohibited from accepting tips. If you want to contribute to the cost of your service, donations to Help At Your Door can be accepted by your delivery driver or you can use a donation envelope from our newsletter that is mailed to your home.

#### **Change Of Information**

Please call the Help At Your Door office if you change your address, phone number or emergency contacts.

#### **Record-Keeping**

Help At Your Door collects certain demographic information about clients that is used by the Minnesota Board on Aging. From time to time, Help At Your Door may ask for your participation in a voluntary survey that may help us to secure additional funding for our services. This information is not released to any other entity.

# Do you know someone who could use a little extra help around the house?

Help At Your Door is a nonprofit organization, with a mission to help seniors and people with disabilities maintain their independence and continue living in their homes. Help At Your Door provides a variety of unique services to individuals across the Twin Cities metro area, including our store to door grocery and delivery services, handyman home repair services, and other services. If you know someone who could benefit from our assistance, please let them know about Help At Your Door.

Funded under contract with the Metropolitan Area Agency on Aging as part of the Older Americans Act Program. This program is supported by the Minnesota Department of Human Services.
