All proceeds will go towards helping seniors maintain their independence in the greater Twin Cities metro.

One in four seniors lives alone, and in our state, over 100,000 are threatened by hunger. Between 2010 and 2030, the number of individuals who are older than 85 will more than double. For the past 35 years, Help At Your Door has been providing access to food so that older adults in the Twin Cities can maintain their independence and continue living in their homes.
